Exhibit 99.1 — Press Release

CNinsure to Acquire Additional Interests in Two Insurance Agencies

GUANGZHOU, China, March 31, 2009 — CNinsure Inc. (Nasdaq: CISG), a leading independent insurance intermediary company operating in China, today announced that it has entered into separate agreements to acquire an additional 41% equity interest in Hangzhou Fanhua Zhixin Insurance Agency Co., Ltd. (“Zhixin”) and an additional 46% interest in Zhengzhou Fanhua Anlian Insurance Agency Co., Ltd. (“Anlian”), for a total consideration of up to RMB140 million. When completed, these acquisitions will bring CNinsure’s total shareholdings in these two agencies to 51% from 10% in Zhixin and 5% in Anlian, respectively, which it already holds. The acquisitions will enable CNinsure to further penetrate Zhejiang Province and expand its market presence to Henan Province.

Zhixin, headquartered in Hangzhou, capital city of Zhejiang Province, is primarily engaged in the distribution of property and casualty (“P&C”) insurance products. After the acquisition, Zhixin’s founder Tingxin Zhang will continue to lead the company, together with his team of insurance agents who have been working under him for over three years, during which he had successfully run another leading P&C insurance agency in the region. Mr. Zhang is currently serving as secretary of the Zhejiang Insurance Intermediary Association.

Anlian, headquartered in Zhengzhou, capital city of Henan Province, also specializes in the distribution of P&C insurance products. It was founded by a 20-year insurance industry veteran, Jun Zhang. Prior to Anlian, Mr. Zhang held various managerial positions at PICC Property and Casualty Company Limited. He and his team will also stay on with the company after the acquisition as minority shareholders in charge of day-to-day operations.

Pursuant to the agreements, the total considerations for the acquisitions of the additional equity interests in Zhixin and Anlian are RMB100 million and RMB40 million, respectively, which will be paid in cash in nine installments and are subject to a downward adjustment if Zhixin and Anlian fail to achieve certain performance targets.

In addition, the existing shareholders of Zhixin and Anlian undertake that the agencies will contribute certain amount of net profits to CNinsure in 2009, 2010 and 2011. If Zhixin and Anlian fail to achieve the aforementioned targets, these shareholders will transfer part of their equity interests in these agencies back to CNinsure at nominal value. CNinsure expects to close the transactions in the second quarter of 2009, subject to certain consents, authorizations and other customary closing conditions.

Commenting on the acquisition, CNinsure’s Chairman and Chief Executive Officer, Yinan Hu stated, “We are excited to have Zhixin and Anlian, together with its strong staff, join CNinsure’s distribution network. These two companies will act as strategic platforms for us to expand our market presence in the regions by acquiring other insurance agencies and recruiting experienced sales agents.”
